## **NORTH HIGH SCHOOL—A MONUMENT OF MEMORIES . . .**

### **Foreword**

"Light" was one of the first words uttered by God in the act of creation. In this creation of the 1960 North High yearbook, "Light" is the unifying theme and deserves first mention over any other word. Thus, light is the essence of this "foreword" spoken by this year's Memory Book staff. Certainly not a product of scholars, this yearbook will not educate, but will merely reflect a year's activities that progressed in the light shed from the "lamp of learning."

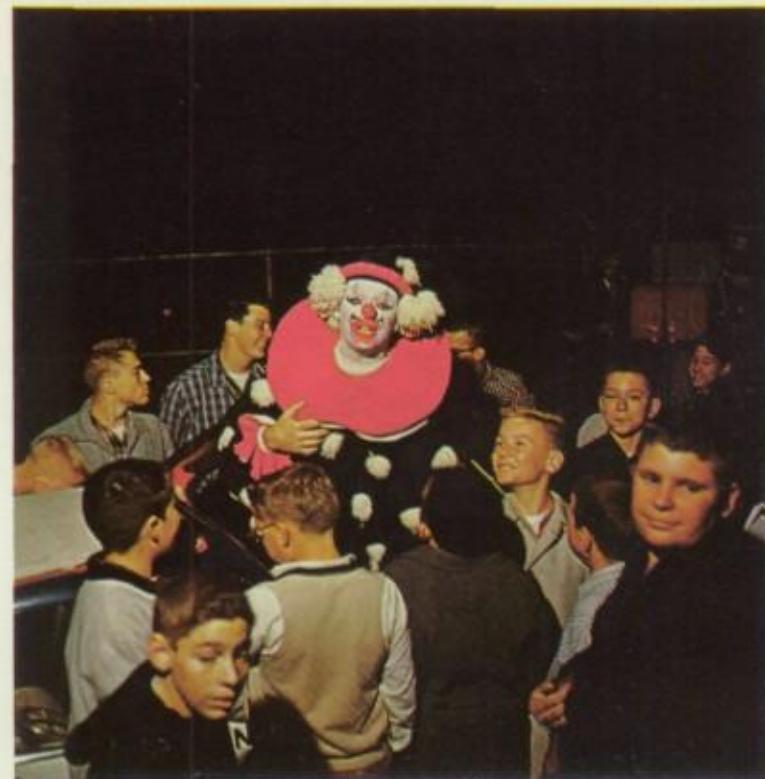

Each departure means another attainment.

. . . TO GRADUATES

Each arrival—one more endeavor.

"Flippo" spells buffoonery for North's half time show.

A montage of foreign scenery, varicolored books . . .

Besides scholastic life at North High,  
Social life springs early from  
Well-organized groups  
That incite great enthusiasm in  
Novel fields or that lends  
Service to a needy community to  
Balance out vibrant youth's curiosity.

... and printers' ink all build North's extra curriculars.

## THERE THE LAMP OF LEARNING IS FANNED. WHERE?

At a desk hearing a competent teacher,  
At a blackboard erasing the second error sadly,  
At a bookshelf selecting collateral,  
At a table pooling knowledge.

## WHEN MUSIC RESOUNDS, HEART STRINGS RESPOND:

With a strained song for the team,  
With a patriotic palpitation to "I lift my lamp beside the golden door,"  
With a nostalgic flutter at sleigh bells' jangling,  
With a groan at squeaks from practice rooms.

## OLYMPIC TORCHES ARE LIT BY SUCH AS THESE

The lad who practiced hook shots after school  
The fleet runner who timed himself  
The girl in every tournament  
The queen of title-holders

***Administrators . . . . . 10***

***Faculty . . . . . 14***

"Take a letter Mrs. Kunkler," is a routine request from Principal Edgar W. House.

## PRINCIPAL'S OFFICE

A gigantic job of organizing, scheduling, and correspondence is in the capable hands of Edgar W. House, principal of North High School. With the help of Mrs. Mary Jo Kunkler, he keeps North's school system running smoothly. Have you ever realized that every major decision or policy originates from the main office?

Mr. House consults master calendar.

# MAIN OFFICE REGULATES NORTH'S PROSPECTUS

At last we're almost finished with those records!

## VICE-PRINCIPAL'S OFFICE

Records of pupil credits, appointments for students with problems, and phone calls from concerned parents all flood copiously into Polar headquarters daily. Secretaries' typing and administrators' conferences disseminate information to faculty and students who rely on the school building's regulator. The main office force remains over the summer to give prospects of a new year an orderly start toward another high school career.

His favorite is Dixon's "Ticonderoga."

## ATTENDANCE AND FINANCE

All attendance problems—that's Mr. Raymond Budd's job.

Business Manager—Mr. Carroll Woodruff's title.

Mr. Raymond Budd, in charge of all attendance records, has a staff of approximately 25 girls working under him and Mr. Carroll Woodruff, in charge of all financial transactions, a staff of eight. "Why?" a question often asked by Mr. Budd pertains to student excuses, absence, and tardiness. Being business manager, "Woody" handles all monthly accounts and business matters. This includes the sale of tickets, records of club treasuries and many trips to the bank. Every club treasurer deals with Mr. Woodruff in room 103.

## CO-ORDINATION AND COUNSELING

Three people necessary to the North High student body are Miss Meta Gregg, student activities coordinator; Miss Mabel Haynes and Mr. Milton Byerly, guidance councilors. Miss Gregg supervises the radio department, coordinates student activities and is advisor for school assemblies. Miss Haynes spends full time on guidance while Mr. Byerly shares his time between guidance and student council advisor.

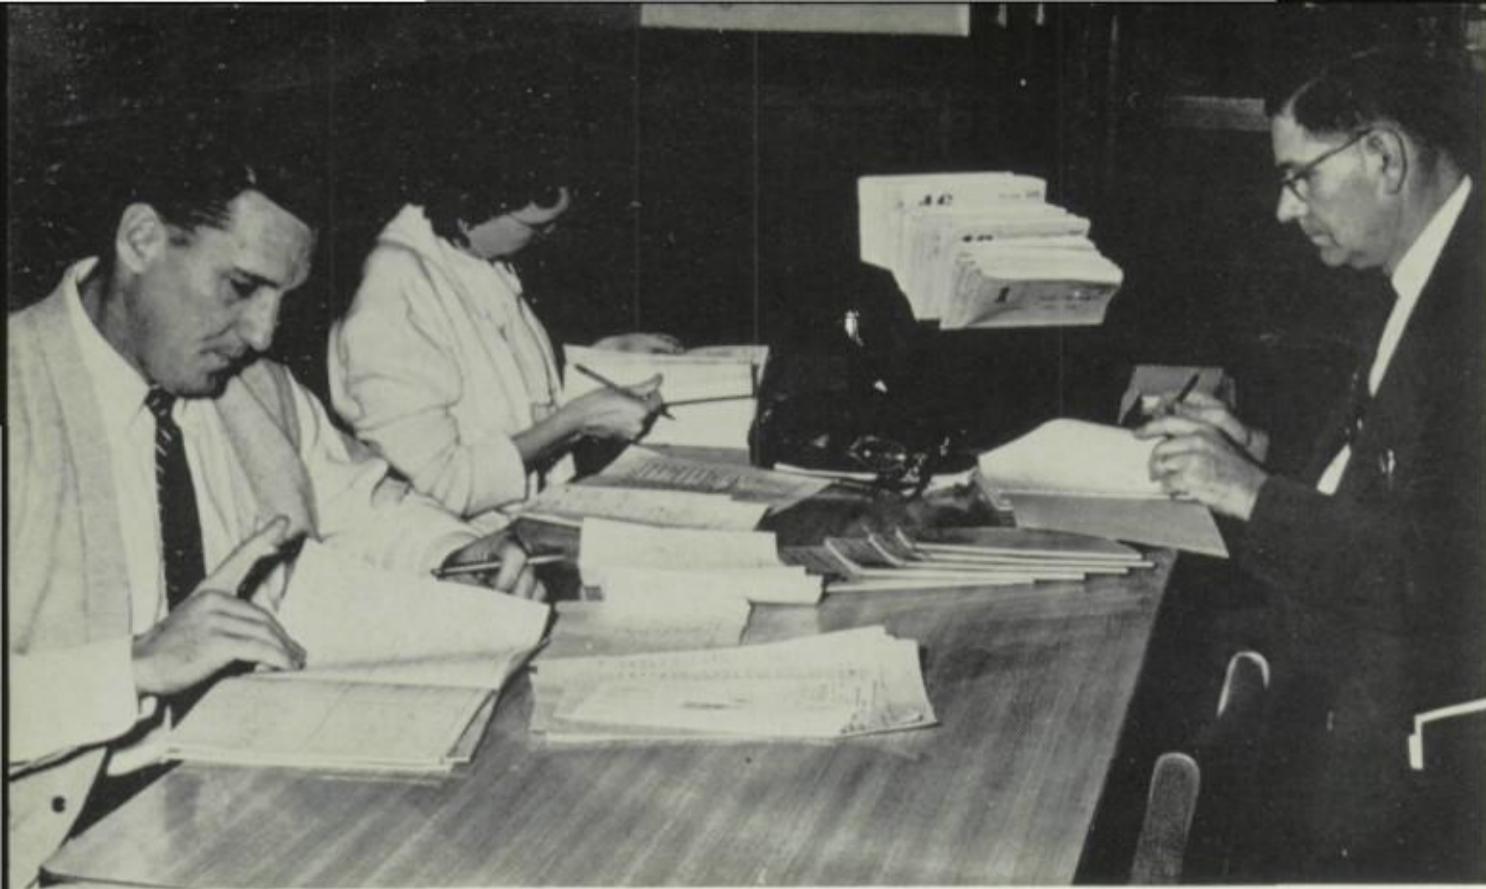

Miss Gregg says, "Start the chimes!"

That's your vocation, Sherry.

Mr. Byerly O.K.'s it.

Students give teachers homework when schedules are due!

## Faculty engages in mutual work and play.

"and faculty chalks up one more!"

Besides instruction, a teacher's out-of-class activities vary from running movie projectors to traveling with the debate team. In school, home-room duties face almost each instructor. Men teachers participate in the Faculty-Reserve basketball game and weekly bowling sessions.

At graduation a Senior realizes a well awarded goal of four years of difficult study amounting to sixteen or more required credits. Along with required credits in English, history, science, and math, elective fields broaden knowledge and interests. Art, drama, journalism, and speech or debate exemplify these electives. Physical education is required along with studies to make one a better individual both mentally and physically.

Dear to most seniors is the class ring. The sign of past accomplishments and future challenges, the shield with the letter N on it is significant of a graduate going forth into the battle of life with his education to guard him. If each senior uses his education as a guard to meet future struggles, he and his fellow man will be victorious. A memento of the past, the ring is still a beacon of the future lighting youth's path with the lights of learning.

1960—a year of rockets to the moon and election of a new president, it shows scientific advances and political change. Education nearly always is the seat of progress and the foundation for governmental standards. Future decades being in the hands of youth, will be guided in part by such as these 507 graduates. With experience and education behind them, they can draw from a backlog of knowledge to determine the course of their careers.

The biggest event at North for the class of '60, in their sophomore year was the basketball tournament game with Middletown that North took honors for and then went on to become co-champions in the state in '58. The year '59 witnessed the big flood and, of course, the final exams which were canceled. The year 1960 brought the biggest thrill of all: at last the sophomores of 1958 had become the seniors of 1960, and along with it the renewal of Career Week.

## SENIOR MEMORIES

Country maids try their toes.

Forty-eight seniors, 28 boys and 20 girls, comprised the North High School General Scholarship Team. Of this number, 40 North students ranked in the upper 25% of Metropolitan Columbus. Twenty-three ranked in the upper 10% of the Ohio State University district and 13 ranked in the upper 5% of the state. North had more students placing in the upper 5% than any other Ohio school. The test has five sections covering history, mathematics, science, English, and reading. The highest possible score was 300. The highest score made in the country was 251, the highest from North, 224. The team was selected on the basis of academic record.

The purpose of the Social and Recreational Council is to supervise and guide all Dances that take place in the school.

Speakers have been the prime source for Marigale art programs. Miss Joyce Grant, freelance artist, spoke to the club on fashion drawing; Mr. Sparrow, North High School teacher, demonstrated theatrical make-up; and Mr. Cunningham, art instructor, showed slides of work done by Columbus Art School students. Christmas was celebrated with refreshments brought in by members and entertainment provided by the ensemble. Anyone may join this club, as membership is not restricted to art students.

Advanced Art Class interests students in art as a hobby or career. Some students choose art as a career from experiences under Miss Elizabeth Abernathy's sponsorship. The art work for publicizing plays, athletic contests, dances, program covers, and tickets materialize in this class.

## ADVANCED ART CLASS

The Commercial Art Club is a preparation for commercial art work after graduation. As a service to the school, the club does the advertising on study hall blackboards, posters for dances and club functions, cartoons for the *Polaris*, and ticket designs. Out of this group come art scholars, after training by Miss Elizabeth Abernathy, the teacher.

Early training may prepare her for a career in fine arts.

Singing choruses—the best way to start the day.

"What we need in religion is not new light but new sight, not new paths, but new strength to walk in the old ones; not new duties, but new strength from on high to fulfill those that are plain before us."—Selected

Increased attendance has marked a year of Bible study, Scripture reading, and hymn singing for about

thirty members of the Bible Club. The group with Mrs. Isabel Robb as faculty advisor, sponsored the showing of the teenage film, "Going Steady." Each morning the group meets to have Christian fellowship or to hear a speaker inspire them to live better lives.

## FUTURE TEACHERS OF AMERICA

Movies, skits, and speakers directed toward the teaching profession are the core of programs provided for future teachers. Under Mrs. Frances DeWees' direction, small groups of members get chances to teach and to work on school projects. At Christmas the group gives stuffed animals to handicapped children, and Christmas cards are donated to Children's Hospital. Twice a year F.T.A. visits the schools of the blind and of the deaf to see how they learn school subjects.

The Hi-Y organization of Christian young men offers the participation for youth in government and has a basketball team, aside from the monthly meetings. Each year Hi-Y combines with Y-Teens to sponsor "Orginc," a spring formal dance. Along with the Student Council and Y-Teens, Hi-Y also helps to sponsor the 10-B Mixer, a party for incoming junior high school graduates.

Assistant Dean of Men at OSU, George Caronis speaks to Hi-Y.

## HI-Y

Hi-Y for boys is a counterpart of Y-Teens for girls, both of which are subsidiaries of the Young Men's and Young Women's Christian Associations. The groups meet alternately on Wednesdays in the auditorium during a lengthened homeroom period. The groups hear speakers who stress Christian living and Christian service.

## HI-Y SERVES NORTH HIGH

"Clean living, clean speech, clean scholarship and clean sportsmanship" was the guiding slogan for two hundred and fifty North High School Hi-Y members. Throughout the year Boys enjoy activities offered them through Hi-Y and helped to promote the purpose of the club which is "to create, maintain, and extend throughout the home, school, and community high standards of Christian character." Election of officers for 1960-1961 came early in April. The Hi-Y Cabinet presented a slate of officers to themselves at which time nominations from the floor were in order.

After the party, the group caroled at the homes of native German people and also at homes of sick people. Monthly meetings which include speakers, spreads, games, singing and picnics rounded out the year's activities. They translated letters for Red Cross.

## FRENCH CLUB emulates France

A visit from two former North girls who spent a year in France, a Christmas party, and a musical program this spring were among a few French Club activities under Miss LaVelle's leadership. Another highlight of the year was a talk by a native of France, and in February the French banquet at the Ohio Union, hosted 600-800 young people that study French. The French Club offers a lot to both the neophyte and to one who has spent some time in France or French speaking countries.

**FRENCH CLUB OFFICERS:** J. Cope, D. Iguchi, M. Bates,  
C. Galbraith, C. Fenn.

Knowing and understanding the French language is as essential to French Club members as a beret is to a Frenchman. Meetings led by president, Helen Bates are conducted entirely in French. Singing folk songs and playing games native to this romance language country was the main part of the French Club menu. Les Enthousiastes Francais meetings are held on the third Tuesday of each month in the school and twice a year at members homes.

## GIRL ATHLETES WORK AND PLAY

"Hay, where's the crepe paper?" This is just one of the remarks that might be heard in the gym before the homecoming dance. Girls Athletic Association decorated the gym and sponsored the exciting event. A new girls party is given for all sophomore girls. In December there is a Christmas party for all active members and alumnae. The year was brought to a close with the annual installation banquet. Intramurals are sponsored by the organization.

Nancy Knapp calls meeting to order.

Getting ideas from the closet of ancient archives.

The creativity and originality of the members of the Memory Book Staff were combined in making the 1960 edition another usual Memory Book North has had in recent years. Under the editorship of Sherry Baker, the new ideas grew and the book was enlarged to around 200 pages, enlarged in size to 8½" x 11" with many new features including color, the new faculty section, gray tones in art work, and a variety of attractions in the ad section.

One, two, three, hold it!

# POLARIS

Carolyn Rausch pastes up dummy, while Linda McMahon assigns stories to Sandy Williams and Evelyn Lewis, and Bob Slentz figures the cost.

It's Polaris delivery time!

"The news; our morning, noon, and evening cry; day after day repeats it till we die." Pasting dummies, writing stories, and meeting deadlines kept the Polaris staff on their toes throughout the year. "Use this picture," or "I think it looks better over there," were familiar words when it came time to prepare the final dummy. Many times there was a problem of finding a car so the dummy would be at press before the deadline.

## VARSITY "N"

Let's do that again, George!

Varsity "N" association organizes the North High letter men into an honor society to promote school spirit and social activities. Membership is open to any boy who has earned his letter in any sport, and entitles him to free entrance to all home football and basketball games.

Approximately sixty boys, advised by Mr. Ruchard Hindman, take advantage of the club membership. Boys receive letters for football, basketball, baseball, track, cross-country, and golf. Members that are proficient in more than one sport receive a gold emblem symbolizing the sport excelled in.

## RADIO AND ACTIVITIES

Bing! Bang! Bang! The Student Activities and Radio Staff presented copious announcements throughout the year. The Staff also taped speeches, helped with Career Week, aided Miss LaVelle in taping her German programs, and produced its own show for W.O.S.U. television. Rapid Reading classes were dependent on the camera service. Money for Audio-Visual projects was raised from the sale of pictures.

## MATHEMATICS CLUB

Principles and logic of mathematics were Ohio State University speakers' topics at several Math Club meetings. Mr. Richard Smart, advisor of the newly-formed club presented other interesting fields for discussion and members provided games of chance. Informal meetings were conducted on the first and third Mondays each month.

## CHESS CLUB

Chess, being just grown-up checkers, was played by members at all the Chess Club meetings which were held in the cafeteria. Chess, being a very challenging game, takes great skills as well as patience. Books, magazines and the members themselves provided new knowledge for betterment of the game.

Candles, pancakes and 8:00 rehearsals were all very familiar to the North High School Senior Choir. Besides singing at several churches; Broad Street Presbyterian, North Broadway Methodist, the one-hundred voice chorus sang at the North High School Spring Concert and the All-City Christmas Festival at Central High School. Christmas candlelight brightened the processional and caroling in the halls. The highlight of the chorus's short life came early in the school year when they combined with West High School to sing "The Song of Democracy" for the Ohio Music Education Convention at Mershon Auditorium. Doctor Fredrick Fennel, noted musician, conducted the chorus and All-State Orchestra. An all time first was singing for the June graduation.

Dances after football and basketball games would be incomplete without the Polarians. The Polarians are a select group of boys interested in the dance band style of instrumentation. These boys also play at pep rallies and for the Fun Without Destruction campaign. Under the direction of band instructor, Mr. Leslie Susi, the band has appeared at out-of-school functions also.

Music, music music!

The all-city Christmas Festival and the Spring and Winter Concerts were the three leading orchestra performances. Under the direction of Mr. Leslie Susi, the orchestra has proven to be a valuable entertainment feature for North High School.

## PRACTICE MAKES PERFECT

They practice with patience, then perform.

The Spring and Winter Concerts, District Band Contest and the State Parent-Teachers Association convention were the major public appearances of the North High School Band. Best remembered by students were the half-time programs presented during football season. To keep in top marching condition for these performances, Mr. Leslie Susi, band director, made sure members reported to the stadium daily for rehearsals at eight o'clock. School assemblies and pep rallies were often assisted by the band. Sectional rehearsals aided band members in preparing for better performances. This eighty-four member band realizes the importance of continuing the superior reputation of Mr. Susi's past bands.

## TORCHBEARERS

The Torchbearers, North's Spring play of 1960, was a satire of the backstage dilemma before the opening night of a production. Perhaps the success of the presentation was partly due to the fact that the seniors fully understood the "butterflies" which were spoken of in their lines.

Polar Bears for 1959 were a team with fighting spirit, but they were hindered by injuries and a lack of experience. The resemblance to last year's squad was small: previously the plays were run from a T, whereas this year a slot-back offense was used. The starting backfield was composed mostly of seniors. The juniors and sophomores added good bench strength. The team sported many good players with three seniors as standouts.

Team and crowd, always eager to win, still received the frown of Lady Luck five times. The team enjoyed wins over Central, South, and Marion-Franklin. The

season end found the team winning 3, tying 1, losing 5. Three of the losses being non-league games. Even though the team did not win the city league crown, spirit reigned champion.

Bruins can look forward to a successful season each year under the excellent instruction of coach Hindman and his assistants. Credit is also due to the unheralded managers.

The season was opened by losses to two strong out-of-town teams—Lima and Springfield. In the next game the Bears tied with Aquinas on a pass from Rick Nye to George Hite, climaxing a 76-yard drive. North claimed its first win of the season by mauling a Marion-Franklin team 38 to 8.

One of the outstanding plays of the game was a lineman's dream in which tackle Bruce King crashed into the line, became possessor of the ball and bulled his way over for a touchdown. The homecoming game was somewhat spoiled as a riled Linden team shut the Bears out by a score of 20-0.

North bounced back to take decisions over South and Central. Dick Nance intercepted a pass and sprinted 76 yards to score for the second time of the evening to lead North to a 12 to 6 win over South. Central was downed 31 to 16 for the second win with Carl Betts smashing across for three touchdowns. The West Cowboys took the decision in a close 22 to 20 over the Bears in the last league game of the year. Jim Baldini, Rick Nye, and Dick Nance were the three players who scored for North during the bitter cold evening. In the final game of the season the Polar Bears were stopped by a strong Middletown passing attack by a score of 44 to 21. Senior Carl Betts scored twice and Dick Nance scored once to end their football career at North High School

"Know your music—pick up your feet—turn your corners square and drive, drive, drive!" were familiar words to the 1959 Polar Bear Marching band, led by its high stepping majorettes. Fifteen lively and colorful minutes were in store for half-time reviews.

They were: Bill Halley, a unanimous choice for first team, and George Parks, landing a spot on the second team. ## TRACK

North High thinclads began to work out early in March in preparation for a schedule of 18 track and field meets. During cold weather these workouts often consisted of jogging around the third floor of the school building. The team was paced by half a dozen returning lettermen with the 880 relay, 100 and 220 yard dash being the strong points. Molding the team into shape were coaches: Mr. David Shaw and John Weinrich.

Intramurals is a favorite pastime for many North High girls. Participation in one or all four of the major sports is open to all girls. The sports are speedball, basketball, volleyball and softball.

## GIRLS SPORTS

Basketball intramurals reach a climax with sophomore, junior and senior class teams competing in the annual Girl's Basketball Tournament. This year all three teams broke even, each winning one game. These class teams also competed with other high schools during after school hours on Thursdays and Fridays—good sportsmanship—the object of every basketball game.

WINNING BASKETBALL INTRAMURAL TEAM: Row 1—B. Stroble, L. Fouch, B. Hackler, M. Newell. Row 2—S. Robson, J. Smith, J. Mooney, S. Bennett.

## GIRLS VOLLEYBALL CLASS TEAMS

The juniors volleyball teams won over both the senior and sophomores class teams. The first, second and third class teams played to a smashing finish with the juniors taking everything in the March 24 tournament.

Class teams are chosen by team captains, members of G. A. A., and representatives from the junior, senior and sophomore classes. Those chosen must have played intramurals. The aim of class teams is good sportsmanship.

Up and over. Make this a good serve.

## 103 STAFF AND 104 STAFF

"The use of money is all the advantage of having it." The financial nucleus of North High School is Room 103 or "Woody's office." Staff members assist in selling sport tickets, determining student sports eligibilities and counting money of various sources like school clubs.

"The absent are never without fault, nor the present without excuse." Collecting, typing and distributing absence slips, answering the telephone, taking those familiar "Report-to-the-office" slips to students and many other jobs occupy the time of girls working in 104.

What would North High School do without student directories, play programs, daily bulletins, and sport programs? How would teachers ever find time to run off tests and study guides? Besides supplying the school with these conveniences the Special Service department publishes the "Dutch Door" a monthly news sheet directed toward faculty members.

Filing college pamphlets and running errands for Miss Mabel Haynes, councilor in charge, are the duties of the 105 Staff. Some unusual cases are taking sick students to the clinic. They also check to see that the clinic is in order. The staff is small but the work gets done.

# LIBRARY STAFF

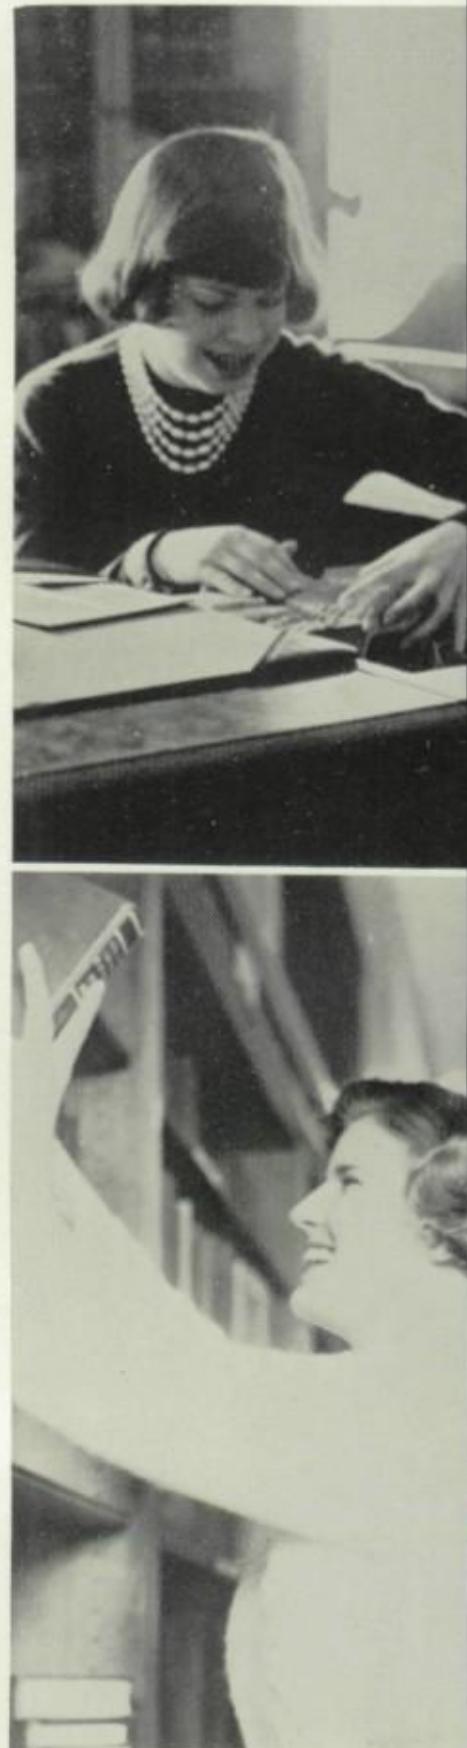

That collateral reading is tough.

Library staffers find plenty of experience in cataloguing books, mending bindings, and helping other students locate suitable material for reports. Ordering new books is a must for keeping up with the literary times. Miss Louise Lewis is the librarian.

## CAFETERIA CLUB

A Halloween party, Valentine Game Party, Christmas party and spring picnic were three most memorable events of Cafeteria Club members. For a Christmas project, the club packed two baskets of food for needy families. A picnic at W.R.F.D. picnic grounds was the final meeting of the year.

## LUNCHROOM LADIES

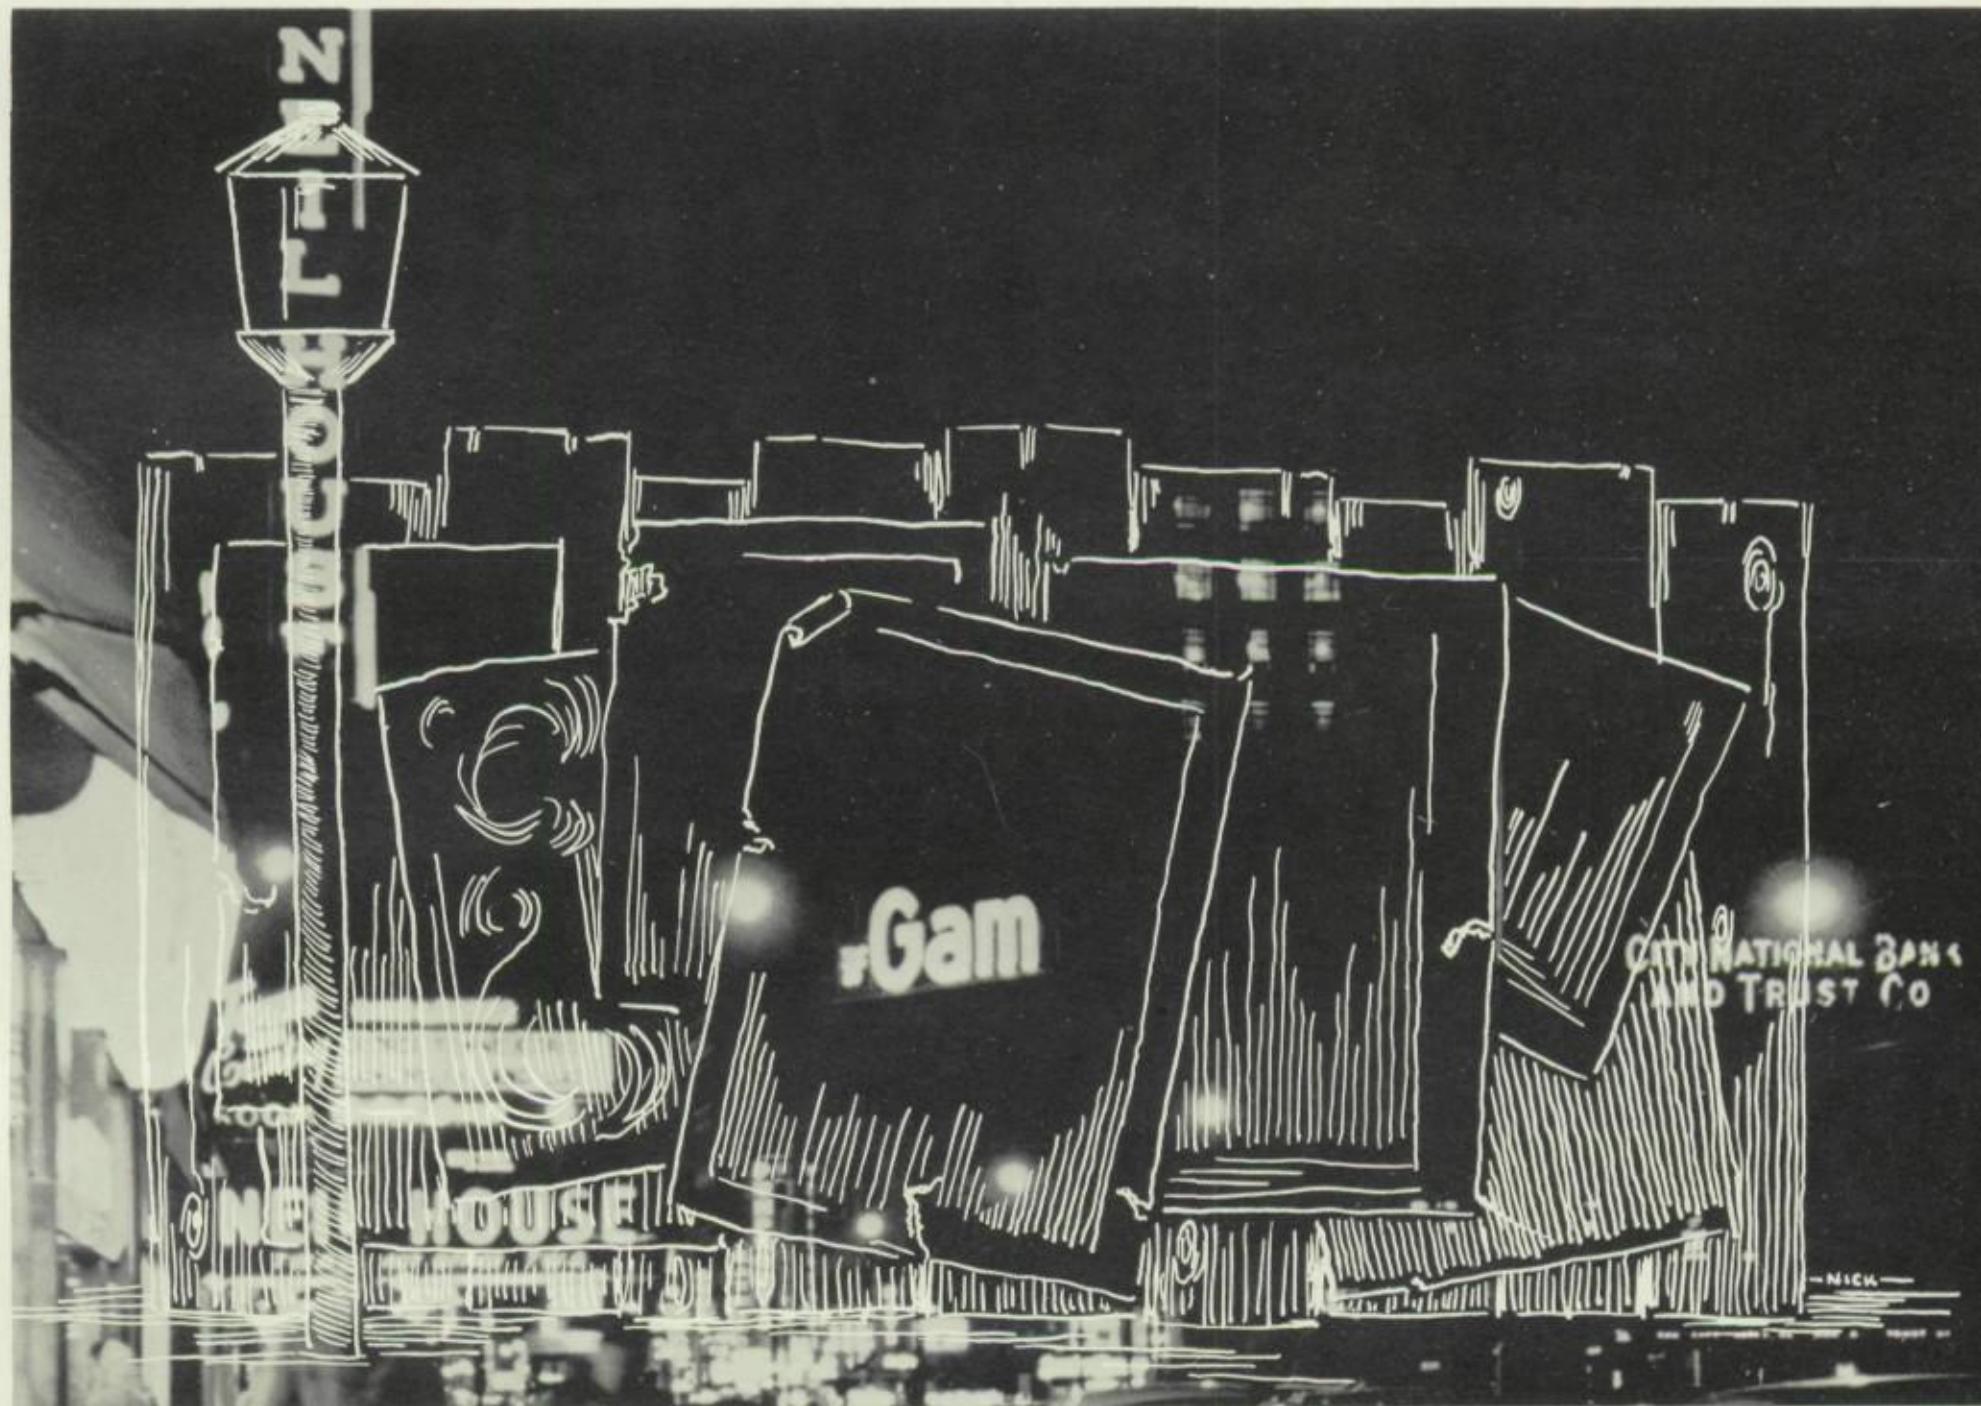

It takes eighteen ladies from seven in the morning until noon to prepare for one class—the fifth period lunch hour. A class of around 1800 files into and out of the cafeteria for over an hour, filling stomachs instead of brains. Mrs. Margaret Holt is in charge.

## KEEPER OF THE KEYS

Keys, extension cords, wastepaper baskets, window sticks, and brooms are the tools of the trade for the custodial crew of thirteen who clean, repair, heat, light, and unlock or lock North High School.

Mr. William Harrold checks his rating with one of his fans.
